

# Casualty Assistance

## Topic Page Overview

*Military OneSource is an established and trusted resource for substantial, current, and detailed information about key military family programs, and it is still the one-stop shop for all of the services you have come to rely on. Now, each program will have its own page on the Military OneSource website dedicated to the latest news, information, and resources that best meet the needs of the military community.*

Coming November 2012

## 1 Up-to-date News and Information

Stay on top of all the latest news related to a particular program! Each program page offers The Latest section on the top right hand side to track the latest facts, policy changes, and important information. In addition, a schedule of upcoming webinars on relevant topics is posted to give users an easy way to access additional information.

## 2 Simple Navigation and Organization

Each program page offers an overview of the program, articles and information arranged by topic, and a section devoted to popular links to resources such as important guides, additional websites, helpful tools, and more. Along the top, users can always access the main toolbar for one-click access to other important parts of the site.

## 3 Additional Features

The right hand side of the page offers additional features to increase the amount of interaction users have with the page.

The Directory allows users to quickly access program-specific contact information for their installation. The contact information is pulled from the MilitaryINSTALLATIONS website and appears within the Directory on Military OneSource. In addition, users can select “advanced search” and link to the MilitaryINSTALLATIONS homepage, where they can further refine their search requirements.

Users can also participate in polls and subscribe to Really Simple Syndication (RSS) feeds to ensure they are alerted whenever changes are made to the program page.

### Content Management Process

To manage or update the content found on the program page, please contact your program liaison.

### Additional Support

For more information or for assistance, please contact us using our [feedback](#) function.
